

HOW TO JOIN A CLUB

If you don't know which project area(s) you would like to participate in, visit **4-H Project Central** (<http://projectcentral.ohio4h.org>) to view project books and read reviews from other 4-H members who have previously taken the project. Once you determine which project area(s) you are interested in, go to the center of this brochure for a complete listing of Wood County 4-H clubs. Directly contact any advisor whose club seems to meet your needs.

The 4-H year runs January-December. **Annual enrollment deadline is March 15th.** You MUST enroll through a club, so make sure that your contacts are made early enough to ensure that the enrollment will get done and submitted on time.

Adults that are interested in becoming 4-H Volunteer Leaders should call our office and request an application. If you want to start a new club, first talk to Liz at the Extension Office. If you want to become a volunteer leader in an existing club, please talk to the head advisor of that club before completing and submitting the application.

Meeting areas are approximate; so if you are willing to travel, you are welcome to join any club in the county! You may also join more than one club in Wood County.

CFAES

OHIO STATE UNIVERSITY EXTENSION

WHAT IS 4-H?

4-H is a non-formal educational youth development program for children age 5 through age 19. Cloverbud members are at least 5 years old and in kindergarten. Traditional members are at least 8 years old and in the 3rd grade and may remain in 4-H as long as they are 18 or younger as of January 1st.

Youth are involved in hands-on, experiential learning that allows **learning by doing.**

All 4-H programs focus on **active involvement and quality experiences** which stimulate **lifelong learning of values and skills.**
