

County Ohio 4-H

ing people
adership,

A total of 92 club members attended the five-day camp. Four years later Wood, Henry, Defiance, Fulton, and Lucas counties organized and incorporated the Northwest Ohio Extension Camp Association and secured a lease on five acres of land in Henry County for 20 years. A permanent kitchen was built and a well was drilled. One hundred and twenty-six 4-H members and leaders attended camp that year.

In 2019, 1250 4-H members were enrolled in 55 traditional clubs throughout the county and a year long celebration took place for the 100th birthday of Wood County 4-H. Members, Volunteers, Alumni, and Supporters gathered together at numerous events observing the century of 4-H success. A highlight of the year included the addition of a block with the 100th birthday logo to the 4-H Quilt Square Trail that can be found at the Extension Office. Wood County also had the largest 4-H Camp in history in 2019, 296 Members, Counselors and Volunteers gathered once again at 4-H Camp Palmer in June for this exciting event.

4-H PLEDGE

*I pledge my Head
to clearer thinking,
My Heart
to greater loyalty,
My Hands
to larger service,
And my Health
to better living,
for my club,
my community,
my country,
and my world.*
