

## **354 Medicine Science and Safety Project Guide Sheet**

### **Project Description**

Who should help you make decisions about medicine? How can you stay safe around it? These and other important questions are answered with five hands-on activities that get right to the point. Follow the core messages and become a good example for others. Learn about careers in pharmacy too!

### **To Complete the Project**

1. Explore all 5 activities and all “Talking It Over” questions.
2. Take part in at least 2 Organized Project activities.
3. Take part in at least 2 Citizenship/Leadership activities.
4. Complete Project Summary and Project Review.
5. Take part in 4-H project judging. If you choose not to participate in judging, plan to discuss and review completion of your project with your 4-H Advisor.

### **Judging of this Project**

Interview judging for this project will be on Non-Livestock judging day at the Jr. Fair building. Please refer to the 4-H calendar for judging dates.

\*Requirements for Judging:

1. Completed project book.
2. Display of something learned in the project.

### **Project Display**

Prepare a display that shows the judge and fair visitors what you learned and accomplished in your project. For example, something you made, visuals or other items used to complete project activities, or a poster to share learned information.

**Your project book cannot serve as your project display.**

### **Display Areas**

At the Wood County Fair, your 4-H project will be displayed in the Wood County Jr. Fair building in your 4-H Club assigned booth.

### **Project Pick-Up**

You must pick up your project display at the end of the fair or arrange for someone to get it for you. Please refer to the Wood County Fair book or the 4-H Newsletter for project release times.

Projects not picked up by 3:00 p.m. on the last day of the fair will be disposed of.
