This project will be judged on Non-Livestock judging day – please refer to the 4-H calendar at wood.osu.edu, Wood County Junior Fair building from 1:00-6:00 p.m. Members are scheduled to come at the 4-H Club's assigned time.

Please note: When researching nutrition guidelines and writing your one day's meal menu plan, please refer to the My Plate: <http://www.ChooseMyPlate.gov>.

***Please Note - Food is NOT to be brought to judging. This does not include Cake Decorating.**

Project Description

Learn how to prepare healthy and hearty snacks using MyPlate as a guide and discover how powerful healthy food can be for your body and mind. Fun and easy recipes help build your skills in the kitchen. See how well your current diet fits into the MyPlate food groups. Find out what makes grains great, and why vitamins and nutrients are so beneficial. This project shows you how to add exercise to a healthy diet and find the path to a better quality of life.

***Requirements for Nutrition Projects:**

***PROJECT PORTFOLIOS:** All members taking Nutrition Projects need to complete a project portfolio for judging in addition to the food items prepared. This portfolio can be a paper/plastic folder with center binder tabs or a three-ring notebook (no 12x12 scrapbooks). These portfolios are required at state fair, therefore we are including them in county judging. (Posters are NO longer required and no extra points will be given for them).
