

556 - MEASURING UP

Project Description

Get started in woodworking by selecting a project helper and setting up a safe place to work. This project covers ear and eye protection and these tools: a ruler or tape measure, a square, saws, an electric drill, clamps, a screwdriver, a hammer, and sandpaper. Build and finish a project of your choice.

To Complete the Project

1. Choose a project helper.
2. Complete the "My Plans" section of the project book.
3. Complete at least 7 of the required and optional activities each year you take this project.
4. Two of these activities should involve making items such as those suggested in your book on pages. 33 - 35.
5. Take part in at least 2 citizenship/leadership activities (page. 3).
6. Take part in 4-H project judging. If you choose not to participate in judging, plan to discuss and review completion of your project with your 4-H Advisor.

Judging of this Project

Interview judging for this project will be on Non-Livestock judging day at the Jr. Fair building. Please refer to the 4-H calendar for judging dates.

*Requirements for Judging:

1. Completed project book.
2. Bring a wood project from something learned in the project.
3. Be able to identify the tools on page 6.

Project Display

Prepare a display that shows the judge and fair visitors what you learned and accomplished in your project. For example, something you made, visuals or other items used to complete project activities, or a poster to share learned information.

Your project book cannot serve as your project display.

Display Areas

At the Wood County Fair, your 4-H project will be displayed in the Wood County Jr. Fair building in your 4-H Club assigned booth.

Project Pick-Up

You must pick up your project display at the end of the fair or arrange for someone to get it for you. Please refer to the Wood County Fair book or the 4-H Newsletter for project release times.

Projects not picked up by 3:00 p.m. on the last day of the fair will be disposed of.
