

SAFE USE OF GUNS – 630

Project Description

This project sets the tone for a safety-first attitude around guns. Take the safety pledge, then learn about pistols, rifles, and shotguns by getting to know their parts and how to handle them. Actually, shooting a firearm is not a requirement in this project. This is a beginning-level, one-time project for members who have an adult to supervise their shooting.

To Complete the Project

1. Complete all 11 Interest Areas and all the Talking It Over questions.
2. Take part in at least 2 learning experiences.
3. Take part in at least 2 citizenship/leadership activities.
4. Take part in 4-H project judging. If you choose not to participate in judging, plan to discuss and review completion of your project with your 4-H Advisor.
