

92 4-H Around the Globe

Project Description

This intermediate-level project takes a look at 4-H through an international lens, with close-up looks at Ghana, Kosovo, Nicaragua, and South Korea. Key factors, such as climate, make each country different and dedication to 4-H makes all the programs the same.

1. Complete all 7 activities and all of the Talking It Over questions.
2. Take part in at least 2 learning experiences and take part in at least 2 citizenship/leadership activities.
3. Take part in 4-H project judging. If you choose not to participate in judging at the fair, plan to discuss and review completion of your project with your advisor.
