

Congratulations on enrolling in 4H and selecting your Livestock or Horse Project(s). Now that you've enrolled with 4H Online and received your project book you have **one more step...** All Livestock Projects **must also** enroll in **Fair Entry** in order for you to be able to show your animal at the Wood County Fair.

- Simply go to www.fairentry.com
- Click on Find Your Fair at the top right
- Search by Keyword (which is the easiest): Wood County
- Click on the 1st Option under Ohio

The screenshot shows the 'Fair Entry' website interface. At the top, there is a navigation bar with a 'Fair Entry' button. Below it is a search area with a 'Find Your Fair' button, a search input field containing 'Wood County', and a 'Search by keyword (Optional)' label. The search results are displayed in a table with columns for location and number of fairs. The first result is for Ohio, showing '2 Fairs'. The first entry under Ohio is the '2024 Wood County Junior Fair' held from July 28 to August 04, 2024, with a small map of Ohio and the fair's logo.

Your 4H Online account is linked to Fair Entry. So if you have previously used Fair Entry **DO NOT** create a new account. Just use the same login information you use for 4H Online. If you are **BRAND NEW** to Fair Entry then you will create a new account using your **4H Online login information**.

Please Note:

Fair Entry will be open for registration beginning **April 1st** and will be closed **June 1st at 11:59pm**. You must have **ALL** of your **Livestocks Projects** submitted as well as **Showmanship** entries at that time or you will incur late fees for any additional entries that would need to be submitted.

The screenshot shows the 4-H Online login interface. It features the 4-H Online logo at the top. Below the logo are two dropdown menus: the first is labeled 'Ohio 4-H Youth Development' and the second is labeled 'County'. At the bottom of the form is a green button labeled 'Sign in with 4HOnline'.
